ICoIEI 2022

Empowering A Modern & Sustainable World

The International Association of Electrical, Electronic and Energy Engineering

Upcoming Conference

ICoIEI
2022

Conference Objectives

The organizer, the International Association of Electrical, Electronic and Energy Engineering (IAEEEE), has been working to fill its commitment to creating an amalgamated global platform where scientific researchers, outstanding scholars, industry delegates and policy-makers get together to focus on groundbreaking innovations, substantial progress as well as challenges facing scientific communities of industrial electronics and instrumentation.

Publication & Indexing

Conference presented and registered full paper will be included in digital conference proceeding, and submitted to major citation databases like *Ei Compendex*, *SCOPUS*, *Google Scholar* etc. for reviewing and indexing.

A selection of good papers can be recommended to submit to journals, such as *Mathematics* and *Frontiers* for publication after significant extension.

*Jeju Island,
South Korea*

*October 15-
17, 2022*
