Upcoming Conferences Introduction

SoCAV 2023

2023 International Symposium on Connected and Autonomous Vehicles

Organized by Chongqing University of Posts and Telecommunications, 2023 International Symposium on Connected and Autonomous Vehicles (SoCAV 2023) will be held in Shenzhen, China during April 21-23, 2023. The conference is dedicated to providing a platform and opportunities for researchers, scientists, engineers and scholars to exchange and share their experiences, new ideas and research in the common research field of Connected and Autonomous Vehicles, and to discuss practical issues, the challenges encountered as well as the solutions adopted.

Conference Chairs

Prof. Yongfu Li

Chongqing University of Posts and Telecommunications, China

Prof. Fei Hui

Chang'an University, China

SIUSAI 2023

2023 2nd International Symposium on Intelligent Unmanned Systems and Artificial Intelligence

It aims to bring scientists, researchers, practitioners and industry delegates from academia and industry together to exchange and share their latest research and experiences in the field of Unmanned Systems and Artificial Intelligence. The conference is expected to provide opportunities for advances and collaborations in this field.

2023 2nd International Symposium on Intelligent Unmanned Systems and Artificial Intelligence (SIUSAI 2023) will be held in Shenzhen, China during April 21-23, 2023.

SIUSAI 2023 is organized by Southwest University of Science and Technology School of Computer Science and Technology, Southwest University of Science and Technology School of Manufacturing Science and Engineering, co-organized by Hohai University, Key Laboratory of Testing for Manufacturing Process, Ministry of Education, Southwest University of Science and Technology, Sichuan Big Data and Intelligent System Engineering Technology Research Center, The International Association of Electrical, Electronic and Energy Engineering (IAEEEE), and supported by CoreShare Academy Exchange Center.

Conference Chairs

Prof. Yaobin Wang

Southwest University of Science and Technology, China

Prof. Jianjun Ni

Hohai University, China

Prof. Smain Femmam

UHA University, France
IETI Fellow
