ICoGB 2024

Conference Introduction

2024 2nd International Conference on Green Building (ICoGB 2024) will be held during May 22-24, 2024 in Milan, Italy. With researchers, scientists, engineers and scholars as its contributors, ICoGB presents an open forum aiming to raise green building awareness, spur the standards and develop practical solutions for sustainable buildings by engaging the public, the industry and the government in the world. We human beings anticipated a promising future with clean water and clear sky. The illustrated future features better performing building where energy, water, and materials used in a sustainable manner.

CoEEE 2024

Conference Introduction

2024 4th International Joint Conference on Energy and Environmental Engineering (CoEEE 2024) will be held in Milan, Italy during May 22-24, 2024.

The conference is dedicated to providing the platform and opportunities for researchers, scientists, engineers and scholars to exchange and share their experiences, new ideas and research in the common research field of Energy and Environmental Engineering, and to discuss practical issues, the challenges encountered as well as the solutions adopted.

We truly believe that CoEEE 2024 will provide the best platform for all the participants to have spirited discussions and exchange insightful thoughts on the broad field of energy and environmental engineering.
