SEPTEMBER 20-23, 2026

ANTALYA, TURKEY

## ICFMCE 2026

organized by Akdeniz University, 2026 9th International Conference on Functional Materials for Circular Economy (ICFMCE 2026) will be held in Antalya, Turkey from September 20-23, 2026.

ICFMCE is an annual international conference that is dedicated to providing the platform and opportunities for researchers, scientists, and delegates from communities of different areas to exchange and share their experiences and discoveries, discuss practical issues and challenges encountered, explore applications and solutions in the common research field of Functional Materials for Circular Economy.

We look forward to seeing you in Antalya, Turkey.

## 2026 9th International Conference on Functional Materials for Circular Economy

The ICFMCE 2026 conference committee is excited to invite authors and scholars from all over the world to participate in this significant conference, to enhance our knowledge and create new knowledge to help promote the advances and changes of joint academic research.

**AKDENİZ ÜNİVERSİTESİ**  
"Eğitimde ve Bilimde Öncü Üniversite"

# Call for Papers

We invite submissions on a wide range of research topics, spanning both theoretical and systems research. The topics of interest include, but are not limited to:

- Advanced materials processing
- Advances in computational & numerical methods
- Biochemical and bio-molecular engineering
- Biochemical Engineering
- Bioengineering and biomedical engineering
- Biological and Medicinal Chemistry
- Biotechnology
- Catalysis and reaction engineering
- Chemical engineering educational challenges and development
- Nanomanufacturing
- Nanomaterials
- Nanotechnology
- Particle technology
- Particulate systems
- Process integration
- Multiphase flows
- Multiscale modeling
- Nano and ultra-filtration

More Information: <https://www.icfmce.org/cfp.html>

---

## Submission

Authors are invited to submit papers or abstracts through [info@icfmce.org](mailto:info@icfmce.org).

Please find the paper template at: <https://www.icfmce.org/sub.html>

ICFMCE International Scientific Committee will evaluate the abstracts and make the acceptance decision.

Only original papers will be considered. The manuscripts must not be previously published or accepted for publication elsewhere. It must not be under review by any other conference or publication during the review cycle.

## Publication

Registered and presented full papers will be included in the ICFMCE 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

## Key Dates

|                             |                       |
|-----------------------------|-----------------------|
| Abstract Due                | March 14, 2026        |
| Full Paper Due              | March 29, 2026        |
| Author Notification         | May 24, 2026          |
| Registration Due            | July 9, 2026          |
| Camera-ready Submission Due | August 9, 2026        |
| Main conference             | September 20-23, 2026 |

# Conference History

The 1st ICFMCE was held in Flora Grand Hotel, Dubai successfully during November 24-26, 2017.

The 2nd ICFMCE was held in SAN Campus, Khalifa University, Abu Dhabi successfully during November 20-22, 2018.

ICFMCE 2019 has been at Chulalongkorn University, Bangkok, Thailand on December 15-17, 2019.

ICFMCE 2021 was held successfully online during December 13-15, 2021.

ICFMCE 2022 was held successfully online during September 23-25, 2022.

2023 6th International Conference on Functional Materials and Chemical Engineering (ICFMCE 2023) was held successfully in Taizhou, China on July 21-23, 2023.

2024 International Conference on Functional Materials and Chemical Engineering (ICFMCE 2024) was held successfully in Cape Town, South Africa on September 13-15, 2024.

2025 International Conference on Functional Materials and Chemical Engineering (ICFMCE 2025) was held successfully in Kuala Lumpur, Malaysia from November 23-25, 2025.
